If travelling from the direction of M4 Junction 34 at Llantrisant / Talbot Green :- Take the A4119 towards Rhondda Valleys always going straight on at all the Talbot Green lights and the numerous roundabouts, following signs for Tonypandy. After about 6 miles from the M4 you'll approach the Rhondda. At the top of a long hill, and immediately after passing under a metal footbridge across the main road, you'll reach the **Williamstown** roundabout; proceed straight over here; after another half mile you'll reach a new housing development on the left side of the main road and a set of **traffic lights. TURN RIGHT at these traffic lights**. Follow the road down a long hill and at the very bottom, just before reaching another set of traffic lights, take the **left turn immediately before the traffic lights**, and follow this road right along to the end, towards the public car park. Our new office is the white tower block on the left. There is limited parking at the office, or else use the public car park, up the ramp.

To get to our old offices, walk back the way you came and at the lights turn right, proceeding past the now closed Woolworths store, along Dunraven St.. Our offices at 97 Dunraven Street, CF40 1AR are on the same side of the road a little way along, adjacent to the Oxfam shop.

 As you leave the train turn to your left down the platform, and take the footbridge steps to cross over the line. Follow the path and bear right to go through the underpass tunnel. Continue following the path which then crosses the river bridge, and turn to your right at the fork in the path on the far side of the river. As you climb the slope you'll see some recycling bins on your right, walk past them and down into the big Co-Op supermarket car park. Cross straight through the car park to the far end, and take the road up the steep slope; this then joins-up with the main road (Dunraven street), continue up Dunraven street and cross over the road.
